Dear Parents,

We are so excited to have your children back in action! We are starting our year off with some great projects. We have many new faces that I want to welcome to our afterschool bunch.

Just a few reminders and info for our new friends………
The earliest time you may pick up your child is 5:47 PM.
Everyone must have their own PIN number assigned to him or her when picking up children.
Please let staff know when your child will not be attending aftercare. If your child has a doctor’s appointment, please have a doctor’s note for your child.
You must attend at least 2 out of the 7 parent meetings (meetings will be posted on the parent board.)
PLEASE check your child’s homework folders nightly. We have homework time for the children. The children may or may have been able to complete homework.

Attendance in Brevard After School Academy Central

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
