Dear Parents,

We are excited to have our new partners, Florida Solar and Girl Scouts aboard. The children are having great experiences and learning new things.

Our Overarching Theme starting this month will be World Expeditions.

Reminder: This is a federally funded program and the main requirements that must be met to continue these services are: that your child must attend daily (five days a week) and your child needs to stay to participate each day until 5:47 PM.

Reminder: School and aftercare will be in session on February 17th, 2020 as a hurricane make up day.

Knowledge will bring you the opportunity to make a difference.
