Dear Parents,

We will be finishing up World Cultures and beginning World Travels in the Overarching Theme this month. We will be learning new things about different countries around the world.

Our Florida Solar partners will continue to work with the 5th and 6th graders each Friday.

Reminder: We are still trying to collect updated photos for your children for the registration packets. Please check the list of children who need one and turn it in to us as soon as possible.

Reminder: This is a federally funded program and the main requirements that must be met to continue these services are: that your child must attend daily (five days a week) and your child needs to stay to participate until 5:47 P.M. You must be here between 5:47 and 6:00 PM. 6:01PM is considered late.

Spring Break is approaching! The school will be closed on Monday, March 16th through Monday March 20th March 23rd student holiday. We hope you have a wonderful and refreshing time off.

Test Taking Tips for Parents

- Keep a positive attitude about tests.
- Mark down test days on your calendar so you and your child are both aware of testing dates.
- Make sure that your child gets enough sleep on the night before the test.
- Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- Make sure that your child gets up early enough so that he/she will be on time to school.
- Talking about the test with your child can relieve stress about test taking.
- If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- Praise/reward your child when they do well on a test or for their hard work preparing for a test.
