Dear Parents,

We hope this finds you all doing well during this most unique situation. We miss all of you and are hopeful that we will get to the other side of this soon.

We know that you all continue with your remote learning through the school. The 21st Century Community Learning Team here in Brevard have put together continued learning sources online for you and your family. Here are the links for your use:

Continue to visit our districts website at www.brevardschools.org for the most up to date information on the COVID-19 updates as it pertains to our school.

Stay Well and we will see you all real soon.

WE NEED YOUR FEEDBACK:

We need your feedback. 21st CCLC Parent and Student Survey CLICK HERE for Instructions. Needed no later than May 22, 2020

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
