Dear Parents,

Welcome back! As many of you already know, Ms. Tawana is out on maternity leave, and I have the privilege to start off this new school year with you! We are at capacity, with that, I am requesting that all of our parents, new and old, are to review our policies and procedures for the grant program. All policies will be monitored to be sure of compliance. Any family who does not follow procedures will be asked to give their place to another family who is on the waiting list. Also, remember if your child misses our program for a doctor’s appointment, we need a note stating so.

Note, we have moved to next to the cafeteria. So our gate will be before the front office rather than after like the end of last school year. If you have any questions, do not hesitate to ask!

Ms. Rachael Burke

If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
