Dear Parents,

There are a few new children in our program now so I would like to remind ALL of our parents of a few things. Remember pick up time is 5:47pm.

Also, it is a requirement to attend 2 workshops a year. They are held here for your convenience.

Please remind your children it is part of the program to go to tutoring with our grant teachers when asked. I hope everyone has a wonderful spring break!

Test Taking Tips for Parents

- Keep a positive attitude about tests.
- Mark down test days on your calendar so you and your child are both aware of testing dates.
- Make sure that your child gets enough sleep on the night before the test.
- Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- Make sure that your child gets up early enough so that he/she will be on time to school.
- Talking about the test with your child can relieve stress about test taking.
- If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- Praise/reward your child when they do well on a test or for their hard work preparing for a test.

Education is what remains after one has forgotten everything he learned in school. –Albert Einstein
