Dear Parents,

Welcome back. I hope everyone had a safe and relaxing break. We have 5 more months to finish up. There is still plenty going on. We are lucky enough to have Karate coming back for another 6-week session. The kids have loved having them come and teach them basic introductory skills. It is a great way to learn about discipline. It also gets a lot of energy out. We also have girl scouts starting in January. Please remember that there are several more opportunities for parent workshops this year. Per your parent agreement, each family is required to complete a minimum of 2 every year. Dr. Jordan will be presenting the workshop and they are very beneficial to our families.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!
