Dear Parents,

Happy Fall everyone! The season is changing and I’m excited about all the new enrichment opportunities. This month we are learning about Amazing animals and celebrating Lights on Afterschool. We will be discussing and reading books about different animal and the food they eat, and places they live. Lights on Afterschool will take place the 20th and this year we will focus on being kind and showing thanks to the people around us. Just as I appreciate each and every one of my parents that allow your student to be a part of my Aftercare program. Thanks!!

Lights On Afterschool

Each October, 1 million Americans and thousands of communities nationwide celebrate Lights On Afterschool to shine a light on the afterschool programs that keep kids safe, inspire them to learn, and help working families.

University Park Brevard After School invites you, the parents of Brevard After School children, to spend a few moments, between 4:30-5:30 pm, with your child in their afternoon activities. Please join us in crafts and fun with your child and the staff of our Brevard After School program!
