Dear Parents,

Welcome Back! We are excited about seeing all our students! I hope you all had a great summer and are ready for the kids to get back to school. We are starting our school year off a little different this year. A group of our teachers will be working through an intensive tutoring program to ensure our students have not had the “Summer Slide”. We are excited about the impact this will make for so many students. We will begin our Clubs at the beginning of October. This year we will be focusing on Wellness and Art projects for our badges and will still require that all students participate. Ms. Strieter will be providing homework support everyday at 5:00.

We have a great team this year! Our team members include: Jamecia Luckey, Hazel Clark, Sheila Jones and Qiana Johnson. We look forward to a great year!

Attendance in Brevard After School Academy

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
