Dear Parents,

Welcome back! I hope you all had a relaxing Winter Break. Happy New Year!

We are still working on our Medical City theme and the students are learning great healthy habits.

We will be starting a Zumba Club for the students so they can get exercising. We will also be starting a Drama Club and STOMP is returning! We are excited about our new clubs so be prepared to see a performance in the spring.

We have had several chilly days. Please label your child’s jacket just in case they misplace it.

Remember, January is National Literacy Month so keep reading!

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
