Dear Parents,

Thank you for your patience while we work out the new checkout system. The new system improves keeping the students safe during aftercare. I will be able to help the group leaders when we are short staffed and we will be able to have extra eyes on all students.

If rain occurs during Aftercare checkout, we will move back to the old system keeping yourselves and your students dry 😊 I understand it can be raining at 3:00 and stop by 3:05, but there is no way for me to be able to run back and forth with the Florida rain changing its mind, with this if it’s raining or starting to rain at the beginning of Aftercare I will be in the front office 😊

With the new doorbell/intercom system, if the doorbell isn’t answered within 5 minutes please understand that I am talking with students or staff and have attached a phone number for you to call if I can’t reach the doorbell in time.

We will be implementing a bright Green check in sign, please look for this sign as it will indicate where pickup will be during that day.

Test Taking Tips for Parents

- Keep a positive attitude about tests.
- Mark down test days on your calendar so you and your child are both aware of testing dates.
- Make sure that your child gets enough sleep on the night before the test.
- Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- Make sure that your child gets up early enough so that he/she will be on time to school.
- Talking about the test with your child can relieve stress about test taking.
- If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- Praise/reward your child when they do well on a test or for their hard work preparing for a test.

Education is what remains after one has forgotten everything he learned in school. –Albert Einstein
