Dear Parents,

Welcome back everyone! We are excited to be entering another fun year. The first theme for our project-based learning is Creatures Under the Sea. Some animals we will be learning about are the pufferfish, jellyfish, octopus and sea turtle. We have a variety of activities planned for the children that will be fun and entertaining.

We look forward to seeing everyone and hearing all the stories of their summer adventures.

Attendance in Brevard After School Academy Mainland

The Brevard After School Academy Mainland Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
