Dear Parents,

We are entering in to a new theme this month. Our exciting new theme is Medical City. We will be looking in to what a doctor and veterinarian is.

Our garden groups are having a good time taking care of vegetables. So far we have tomato plants sprouted, a few swiss chard sprouted and some pepper plants. We have also planted carrots, cabbage, and a couple lettuce varieties.

We hope you all have an enjoyable Thanksgiving Holiday break.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Simple Tips on Reading

A child’s success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
