Dear Parents,

Welcome back! We hope you all enjoyed your winter break with family and friends. Upon our return children will learn about first responders, dentists, optometrists, and home health care. Some of our projects will be about those subjects to make learning fun. We have daily wellness activities and close toed shoes are very helpful to prevent injuries.

We have a parent workshop on January 22 from 5:15 – 6:00 in the art room and it will cover 5 ways to reduce test anxiety.

Thank you

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child’s interest.
- Find your child’s favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child’s development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.

What we learn becomes a part of who we are.
