Dear Parents,

We continue our travels around the world this month. Some of our exciting activities coming up are learning about Claude Monet impressionism paintings, drawing the Eiffel Tower, hieroglyphics, and aboriginal rain sticks. We hope you enjoy learning about the projects we talk about and make.

Reminder we participate in outdoor fitness daily and closed toe shoes are safer for children to wear just a stated in our school dress code.

We hope the children and families enjoy their Spring Break this month.

Education is what remains after one has forgotten everything he learned in school.  
—Albert Einstein

**Upcoming Events**

**Spring Break March 16 – 20**

**March 23rd** No School

**March 25th, 2020** Parent Workshop

**Test Taking Tips for Parents**

- Keep a positive attitude about tests.
- Mark down test days on your calendar so you and your child are both aware of testing dates.
- Make sure that your child gets enough sleep on the night before the test.
- Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- Make sure that your child gets up early enough so that he/she will be on time to school.
- Talking about the test with your child can relieve stress about test taking.
- If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- Praise/reward your child when they do well on a test or for their hard work preparing for a test.
