Dear Parents,

Welcome back! Hope everyone had a wonderful Winter Break and a Happy New Year.

Over the next few weeks we will be finish working on our Medical City PBL's (Project based learning).

On January 16<sup>th</sup> we will be holding a Family Workshop (Anxiety in Children). It will be held in Mrs. Stephens room 46 at 5:15 PM.

## Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!
