## Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.

Education is what remains after one has forgotten everything he learned in school.
