Dear Parents, Welcome to our 21CCLC grant program. This is such a great opportunity for the students. They will have extra academic support, homework time and work on PBL's. The PBL's will include Wellness, Art and SEL (Social Emotional Learning). The first PBL that we will be studying is Super Sleuth-CSI. This will take place January 4-February 5.

We will be partnering with Boy Scouts, Girl Scouts, United Way and 4 H.

Please log on the Brevard After School 21stCCLC website to get the latest information including newsletters, pictures workshop schedules and updates from the Semi -Annual Advisory Board meeting.

Please feel free to reach out to me with any questions, concerns or comments that you may have.

Reminders Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year. We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
