Coordinator: Mrs. Dee T: 321 633-3570 ext. 4002

Dear Parents,

We've made it through the first month of school and things are looking great! Our overarching theme for the first several weeks is Creatures. The students will be earning badges upon completion of certain activities.

I am pleased to announce that Boys Scouts will be returning to our program this year.

As a reminder, you must attend a minimum of two parent workshops during the school year. Our next workshop will be held on September 12th at 5:15 pm in the Media Center.

Attendance in BASA: Central

The BAS Academy Program is an academic based program which requires the students to be attending each day checking out no earlier than 5:47 PM. We want every student to get the maximum benefits from the program. If your child is continuously absent, picked up early, or picked up late, they may be asked to leave the program.

If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

Parent Workshop-5 Steps to a Positive Morning Routine!

Three reasons every father should read to their child and not just moms:

1. **Dads provide a different set of skills to their children.** When mom and dad read to their children, it positively impacts their learning. When fathers read to their children, the child's verbal skills can increase by up to fifteen percent, which does not typically happen when just moms read to them.
2. **Children are better behaved.** Studies show that when fathers read to their children and share other caregiving responsibilities with mom, their children have better attachment, they have high self-esteem, and show better social competence. The time fathers spend with their children builds their literacy skills, the child has better impulse control, shows a greater ability to take initiative, and are more empathetic.
3. **Children do better academically.** When dads model the importance of literacy to their children, they perform better in academic endeavors, and have higher scores on standardized achievement tests.
