Dear Parents,

Our Kids in the Kitchen culinary program has begun, and it will last for seven weeks. The children will be preparing healthy recipes and tasting their creations as well. Feel free to stop in and peek!

Reading is a wonderful way of sparking a child's imagination and opening new doors to a wealth of information. Golfview's annual book fair is this month. Family night is November 19<sup>th</sup>. Once you have checked out your child, make a detour to the Media Center and take a tour. We offer a quiet reading time in our After-School Program, and this may be a great way to inspire your child to read!

As a reminder, pick-up time is 5:47 pm!

**Brevard After School**

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

## Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
