Dear Parents,

Upon picking up your child, please check out our parent table to find out the latest news and important information regarding the program and the community.

I would like to say a special thank you to all our After-School students who participated in Golfview's "A Lesson on the Harlem Renaissance Program".

As a reminder after, Spring Break the students will begin state testing. It is very important that they get a good night's rest and enjoy a good breakfast. This helps stimulate the brain and make for a better day!

Finally yet importantly, parents please park your vehicles in the front parking lot when picking up your children.

Education is what remains after one has forgotten everything he learned in school.

## Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
