Parents,

We made it through another successful year! The students have been around the world, they have tasted and created culinary delights, created racing cars, and became gardeners. All of this was made possible by our outside partners/sponsors:

- 4H
- Boy Scouts
- Girl Scouts
- NASA
- Safe Kids (Sherriff's Department)

We at Brevard After School look forward to seeing your children next year and thank you for allowing us to be a part of your child's life!

Have a great summer!☺

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
