Dear Parents,

As we come to the end of the school year, I would like to take a moment and thank the parents for allowing Brevard After School to become an instrumental part of their lives! Creating a safe and positive environment while incorporating STEM activities and the ARTS, is what this program is all about.

Over the summer break, have your children take advantage of the public library. To quote a famous author, "Oh the Places We May Go", by Dr. Seuss!

Still not sure what to do with your child for the summer? Brevard After School summer camp registration is still going on. Visit www.brevardafterschool.com for more information.

Have a great summer!☺

Upcoming Events

May 1st-14th FSA Testing

May 27th-Memorial Day-Holiday for All

May 28th-29th-Early Release Days

May 30

Last Day of School

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
