Dear Parents,

Fall is upon us and we are grateful for the start of cooler weather!

Our students will begin working in our garden, tending to our flower beds with the help of 4H! We will keep parents posted on our progress through out the up and coming weeks.

As a reminder, The BAS Academy Program is an academic based program which requires the students to be attending each day checking out no earlier than 5:47 PM. We want every student to get the maximum benefits from the program. If your child is continuously absent, picked up early, or picked up late, they may be asked to leave the program.

If you have not set up your "PIN Number" for the kiosk, please see Mrs. Dee for assistance.

Lights On Afterschool

Each October 1 million Americans and thousands of communities nationwide celebrate **Lights On Afterschool** to shine a light on the afterschool programs that keep kids safe, inspire them to learn, and help working families.

Golfview Elementary Brevard After School invites you, the parents of Brevard After School children, to spend a few moments, **between 4:30-5:30 pm**, with your child in their afternoon activities. Please join us in crafts and fun with your child and the staff of our Brevard After School program!

How to Balance Family Needs

Contribution and connection are the keys to balancing your family's needs. As a parent, there are days when it seems easier to do everything yourself, but responsibilities stack up and you may feel stress and resentment. Doing it all yourself also robs children of the value of contributing to the family. Assign children jobs or chores based on their developmental level. Contribution to the family by performing a job eases some of your responsibilities, increases children's senses of well-being, and fosters cooperation. Create time for your family to connect. Five minutes of play a day will reduce power struggles with children by 50%. Setting aside time for connection with your child pays significant dividends in cooperation and contentment.
