Dear Parents,

Welcome back! We are so excited to see everyone return and all the new kiddies as well. We are starting the new year off with a bang. Our first theme will be "Under the Sea". We will also have new partners this year as well as the others returning. I am excited that we also will have more Certified Teachers interacting with the students on a daily basis, encouraging and challenging the students to excel academically and socially. We would like to thank you in advance for being patient with us due to all the ongoing construction. But the end result will make the environment safer and that's what matters most! Please make note of the upcoming events noted to the right of this message. We encourage all parent to participate in the Orientation to be held on Tuesday, 9/20/2019 starting at 5:15, it will count as one of two of your required workshops.

**Thanks for your support!**
