Dear Parents,

Welcome back from Spring Break! We hope everyone had a wonderful break full of pleasant memories and experiences!

We are coming into the last stretch and we want everyone to be successful so please remember to attend the last two workshops or however many you need to remain eligible for the 21st CCLC Program. The last two workshops will be on these dates: 4/11/2019 and 5/9/2019. Each will start at 5:15pm.

Our students are having a good time and learning lots of new things, from how plants grow to insects that are actually a help to our crops among other things. And our Teachers are doing a wonderful job enhancing reading, writing and math skills while keeping the students engaged and having fun! We hope they are sharing with you what they are learning and experiencing! We also appreciate and invite you to participate in the program as well. Perhaps you like to read. Or, maybe you have a skill such as sewing, crocheting, or woodworking just to name a few that you would like to volunteer and share with the students. You may need to do a background check to volunteer, but what a wonderful gift it will be to your child and other children as well. We like to think that Aftercare is not only an extension of the school but the community as well! So think about joining us in creating fun experiences and memories for our student!

Thank you for supporting Us!

Education is a gift that no one can take away.

Upcoming Events

April 11, 2019

Family Stem Night

April 19, 2019

Student Holiday

April 22-26, 2019

Afterschool Professionals

Appreciation Week

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.
