Dear Parents,

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm.

The students have been working diligently in their clubs; Dance, Drama, Guitar, Spanish, and Sports and we are looking forward to their performances at the end of the school year. Speaking of Guitar Club, if anyone has a guitar that they are willing to donate, we would greatly appreciate it.

Are you looking for a safe and fun environment for your child to spend the Summer? The Brevard After School Program will be offering Summer Camp this year. More information coming soon!

As always, thank you for your support!

Education is what remains after one has forgotten everything he learned in school.

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
