Dear Parents,

During this time of uncertainty, we hope that each one of your family members and loved ones are safe, healthy, and staying positive. We hope that this crisis will end soon and we see one another for the better.

It is amazing that the district can offer virtual school so that the students can continue to learn and have some structure. We are also offering activities for the students to do as well. Please visit our web site at www.brevardafterschool.com and click on the banner that states; "For fun and engaging activities for the whole family."

PLEASE STAY HEALTHY AND SAFE!

THANK YOU!!!

Education is a gift that no one can take away.
