Dear Parents,

The 21st Century Community Learning Centers Brevard After School Academy Advisory Board Meetings are held at least twice a year to review and discuss all aspects of the program and to make adjustments as necessary. Members must include representatives from each of the schools, our partners, parents and or adult family member, Brevard Afterschool, and grant management team.

The second annual **Advisory Board Meeting** is scheduled for **Friday, March 8** at the **Clearlake Education Facility**. **We will meet in the cafeteria** from 9:00am-11:00am. If you are interested in attending, please let me know so as to provide you with pertinent information. It will be an honor having you represent our program.

Later that same afternoon, March 8th. We will have our first Softwood Derby. Our Boy Scout troop leader has graciously agreed to provide wooden cars that the students are decorating and preparing for the great race. Come join us in the fun! Races begin at 3:30.

Lastly, the students have had a wonderful time during "Kids in the Kitchen" for the past 6 weeks. February 28th will be their last session and they will be preparing Chicken Salad to share with you when you come to pick them up. We hope you have enjoyed the recipes that they have brought home. During these sessions, they learned about healthy eating, the basic food groups and food preparation etiquette! We are having a blast! Thank you for sharing your children with us!

Education is what remains after one has forgotten everything he learned in school.

Spring Break

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
