Dear Parents,

We will have Virtual Partners this month which will include Boy Scouts, Gardening, and Creature Feature, which offers S.T.E.M. based activities promoted by the 4-H Club. We also are having our annual fall festival on 10/30/2020. Donations of treats will be appreciated. Students will be allowed to dress up. However, please send their items in a sealed bag with their names on it to be dropped off the morning of the event.

Thank you for your support!

How to Balance Family Needs

Contribution and connection are the keys to balancing your family's needs. As a parent, there are days when it seems easier to do everything yourself, but responsibilities stack up and you may feel stress and resentment. Doing it all yourself also robs children of the value of contributing to the family. Assign children jobs or chores based on their developmental level. Contribution to the family by performing a job eases some of your responsibilities, increases children's senses of well-being, and fosters cooperation. Create time for your family to connect. Five minutes of play a day will reduce power struggles with children by 50%. Setting aside time for connection with your child pays significant dividends in cooperation and contentment.
