Dear Parents,

Thank you, to all the parents for your donations. The children had a great time during the Halloween Party! We are looking forward to planting our seeds for our gardens and having healthy snacks to eat. A shout out to our Cafeteria Manager, Mrs. Ball, who made the "Light On" celebration extra special with the fun and nutritious dip she taught the kids how to prepare and the recipe for them to take home to share with their families! If you go on our Facebook page, you will see pictures of the event along with other staff and administration who participated in celebrating this annual event.

As always, thank you for your support!!!

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials
