Dear Parents,

We are now onto our new Overarching Theme: Super Sleuth, which will include the PBL of Mystery. It will include activities of puzzles solving for K-2nd and investigators for 3rd-5th. While K-2nd will be working on decoding and memory activities. The 3rd-5th will be trying to solve the Mystery at Grimgrind School and The Mystery at CLOO Hall. For Wellness they will be playing games of Mystery Dots and Mystery Mazes, along with Clue and Detective Memory. When we come back from Winter Break, we move onto the PBL: CSI

Wishing all our Family's a Safe & Happy Holiday

Brevard After School Website

Don't forget to go to the Brevard After School 21st CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

Upcoming Events

No School / Closed
12/21/20 – 01/01/21

What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
