Dear Parents,

Welcome back! As we begin our 2019-20 school year, I hope you and your child(ren) are excited for a fresh start and an entire year of opportunity and possibility. We are beginning tutoring groups the first week of school, in order to set expectations and combat summer slide.

Please plan to attend our 21CCLC Parent Orientation at 5:15PM on August 21st in the Media Center. All families must attend! You will have the opportunity to speak with our lead teacher, Ms. Isaacs, and our Project Manager, Todd Forschino, and myself.

We will be working closely with our teachers this year to ensure we are assisting your child(ren) with the skills that they need to refine in order to be successful in the classroom. Please read with your child every night for at least 20 minutes, or encourage your child to read independently. Every word counts!

Ms. Christiq & the Afterschool Staff

Attendance in Brevard After School Academy East

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

There's no elevator to success. You have to take the stairs.
