Dear Parents,

Welcome back from Spring Break! We are now in our final nine weeks of school which will include FSA testing. Our teachers are working hard to equip your children with reading and math skills. To alleviate testing stress, our learning theme continues with Culinary: International Cuisine. We will be focusing on making (and playing with) our food!

The next four weeks will include making pizza, salsa, sorbet, and chocolate parfaits! We will also be using Kool-Aid to make playdough, making our own menus, and practicing our table manners. Ask your child about what they've done in afterschool – their answers may surprise you!

Thank you for sharing your child with us,

Ms. Christina & the Afterschool Staff
