Dear Parents,

It is my hope that you are dealing successfully with these challenging times as our school district makes plans to contend with the spread of the COVID-19 virus. The health and safety of our students, parents, teachers and staff are of major importance. I encourage you to stay up to date on the latest developments by checking the Brevard Public Schools website daily.

In the meantime, be assured that your Riviera After School staff is preparing for the reopening of school when that date is announced. All materials and supplies are being sanitized, surfaces cleaned, and the entire school will be ready when we can resume our normal activities. I am confident that Students will enjoy what is being planned in our after school program. It will include project-based learning activities titled "Money Matters-Financial Literacy." Students will learn practical ways to handle money which will help them now and in the future.

We are looking forward to seeing you and our students once again. Hopefully that will happen soon. We miss you! In the meantime, feel free to contact me with any questions or comments you may have. I will return your call as soon as possible.

Stay well,

Thelma Warren, Riviera After School Coordinator

Education is a gift that no one can take away.

Afterschool Professionals
Appreciation Week

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.
