Dear Parents,

Is it November already? That's what the calendar says but I'm sure you will agree that time flies! Soon the Thanksgiving holiday will be here.

21st Century students are busy earning their third badge of the year. Primary students are working towards their "Space Cadet" badge and intermediate students are earning an "Astronaut" badge. Fun and educational activities in art, wellness, and social-emotional learning are underway. Please ask your child to show you their work in After School. We have some budding artists, athletes and scientists growing strong!

As we go into the holiday season, may I take this opportunity to encourage all to stop and think about all the good things that are happening in your life and the positive things that are happening in the world. This may be a challenge during this pandemic but there are some good things going on and we have a lot to be thankful for. Encourage your child to start each day with a list of three things, no matter how small they may be, that they are thankful for.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
