Dear Parents,

Welcome to the 21st CCLC Grant Afterschool Program 2020-21. Our Program provides high-quality, hands-on academic and personal enrichment through Reading/ELA, Science, Technology, Engineering, Art, Mathematics (STEAM), character education, health & nutrition, and physical activity. Each student's academic growth is supported through engaging academic, cultural, artistic, and recreational enrichment activities. These academic programs are taught by Florida-certified teachers with a focus on hands-on projects that have real-world applications which reinforce and compliment the students' regular school-day academics. Educational opportunities for adult family members of participating students are also be provided!

Lights On Afterschool

Each October, 1 million Americans and thousands of communities nationwide celebrate **Lights On Afterschool** to shine a light on the afterschool programs that keep kids safe, inspire them to learn, and help working families.

Apollo After School we be celebrating our Annual "Lights on" on Friday Oct 23rd. Children are invited to bring something that glows in the dark for our "Light's on" party.

"It does not matter how slow you go as long as you do not stop"

How to Balance Family Needs

Contribution and connection are the keys to balancing your family's needs. As a parent, there are days when it seems easier to do everything yourself, but responsibilities stack up and you may feel stress and resentment. Doing it all yourself also robs children of the value of contributing to the family. Assign children jobs or chores based on their developmental level. Contribution to the family by performing a job eases some of your responsibilities, increases children's senses of well-being, and fosters cooperation. Create time for your family to connect. Five minutes of play a day will reduce power struggles with children by 50%. Setting aside time for connection with your child pays significant dividends in cooperation and contentment.
