Coordinator: Maryam Murshed T: 321-264-6802

Dear Parents, this month our theme is super Sleuth, Students will be exploring with activities involving detective work and mystery. We will also continue with our Boy Scout and Girls Scout Virtual Clubs. There will be Yoga & Dancercise on Wed. & Crochet on Thursdays at 4:30pm.

Also, in the spirit of the season we will have virtual talent show. Children are invited to perform something that they would like to do. I will video record them and put it all together for our Winter Celebration on Dec. 17th.

Last day of School will be Dec. 18th and 1st day back for students will be Jan.4th, 2021

Brevard After School Website

Don't forget to go to the Brevard After School 21st CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

We are all like a snowflake in our own different way.

Upcoming Events

KIDS CAN COOK, sign up by Dec. 11.

What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
