Dear Parents,

This month we will continue our journey through the Medical City, focusing on the Medical Industry. Our STEM Activities will include learning and exploring about, medical professionals, how they help people, and the tools they use. (Such as: Dentists, Research Scientists, Cardio Technicians, Veterinarians, and First Responders.) For building Health Awareness & wellness, we have outdoor activities and games. The Culinary Arts Program will continue and conclude with a Parents Night on April.25th. Parents are invited to joins us in tasting "Tuna Boats" created by our young chefs. Boy Scouts and Girls Scouts will also continue to work on badges, as well as the 4-H group will be out 4/18, to help use with our blooming garden. So far we have harvested lettuce, radishes and carrots. The Academic Program continues to enrich students with working on the skills they need to work on to reach better gains.

Here's a look at some of the fun we had during March, In Culinary Arts "Pumpkin Pancakes", 4-H Gardening, STEM engineering and art projects.

Education is a gift that no one can take away.
-American Proverb

Upcoming Events

April 10-14, 2017

Spring Break

April 25, 2017

Culinary Parents Night
5:30 pm

April 24-28, 2017

After School Professionals
Appreciation Week

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.
