Dear Parents,

This month is an exciting month for the kids. They are still working on our Places To Go Badges. The students will engage in fun activities this month that will challenge them to use their imaginations as they go on tours of Museums around the World. They will look at fascinating photos and amazing art from the National Gallery of London along with enjoying video clips from the Smithsonian American Art Museum. The students will also enjoy different activities that challenge them to create their own master piece.

This month is jammed pack with awesome outside activities and so much more that challenges each student to use hand eye coordination as well as team work. We all still enjoying making delicious healthy snacks in culinary with Chef Beverly of the UFIFAS Extension 4H office of Brevard.

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.

Education is what remains after one has forgotten everything he learned in school.
