Dear Parents,

For the month of April, we will be looking into the world of International Cuisine. The students will be engaged in tasting several foods without seeing what it is and try to guess what it is. We will be making many projects with fun familiar food that all students will love. We will try our luck with making Napkin Origami and playing a few games of Minute to Win it. Students will enjoy working together to create several Lego Restaurants. We will have several themed Relay Races to enjoy outside.

We also will continue with our Computer, Homework, and Remedial time during the day.

Education is a gift that no one can take away.
