Dear Parents,

We look forward to another exciting year. We will have Project Based Learning activities for us to do weekly, reading, computer time, instructional time, games for inside and outside (weather permitting,) and engineering Legos and magnet time. Our first semester will be about Performing Arts.

Our mandatory Orientation meeting is August 30th. It will help you understand just what this program is all about. The meeting will be held in our classroom in building 14 Room 106 while your children are still with us in the cafeteria.

Attendance in Brevard After School Academy

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

Upcoming Events

Orientation Night is August 30th 5:15-6:00
