Dear Parents,

This month we will be talking about the Medical Industry. The students will be working towards the Badges Kids Work and Career Clinic. Some of the things we will be discussing are: What is a Veterinarian, Making Get Well Cards, and the Secret Life of Plants. The students will have fun creating a skeleton out of pipe cleaners and having some fun challenges outside playing new games. Our next Parent night is on November 13th at 5:15, with Mrs. Dora-Kelly, where you will discuss Sugar Overload. Please try to save that time and date.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.

Student Holiday

November 13 Parent Night

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
