Dear Parents,

Welcome back to the new year. We will be finishing up the Badge Medical City. It is called Mims Hospital. The students will be talking about our First Responders and writing them a thank you note. These men and women have an amazing career. We will also be discussing being an Optometrist and a Physical Therapist. Also the students will talk about the secret life of insects that live among us daily. We look forward to continuing our friendships and having fun activities.

Please keep January 15<sup>th</sup> open for our Family Stem Night Workshop at 5:15-6:00 in Building 14-Room 105. Thank you.

### Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!
