Dear Parents,

A big thank you to all the parents who attended our Parent Workshops this school year. This is a requirement by the 21st CCLC Program that Parents attend at least 2 of these workshops yearly. Thank you for your support.

In March we will be exploring World Travel. We will be discussing Packing your Suitcase and Passports. We look forward to this new adventure while continuing our Book Club, outside activities, and building friendships.

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
