Dear Parents,

Welcome back to all our old friends and new!

We will be continuing with our theme of World Expeditions. We will be learning about Egypt and Australia. The students will be reading aloud world travel books and discussing different cultures. We will be making an Egyptian necklace or collar and discovering Hieroglyphics on Cartouche. Then we will be learning about Australians favorite food, VEGEMITE. Do you know what that is? It is as popular as our peanut butter. We will be discussing about desert habitats, fun with Koalas, creating an Australian Boomerang and playing circle soccer. We will enjoy making new friends and brushing up on our school work as well.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 6:00pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
