Dear Parents,

Welcome Back Everyone! We will be continuing our Badge work on Junior Detectives and Evidence. The students will solve mysteries using clues and have some fun making invisible messages. The K-3rd grade students will have fun making finger paint insects and flowers while the 4-6<sup>th</sup> grade will create a cartoon story board detective story. On January 17<sup>th</sup> our friend Dr. Ali Shaykian will visit us from the Kennedy Space Center with a new project. We also have Boy Scout and Girl Scout meetings again this month.

## Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
