Dear Parents.

Welcome back to the New Year. We will begin this year finishing our Earth Science Badge. We will be making simple windsocks, talking about wind and sun and the four corners of the earth. The students have a lot of fun with relay races and dancing as well. We all look forward to this New Year.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.
