Dear Parents,

We are looking forward to this month. We are ready to pick some of our vegetables in our own garden. Our lettuce, cabbage, carrots, dill weed, parsley, and beets.

We will be making salads and coleslaw and beets.

This month we will also be making tin foil art and space art. We are planning an Egg hunt for the last day before Spring break.

In Boy Scouts this month the boys will be learning about Chivalry and will make Castles.

---

## Upcoming Events

March 17<sup>th</sup> St Patricks Day

March 21 -25 Spring Break

---

### Test Taking Tips for Parents

- Keep a positive attitude about tests.
- Mark down test days on your calendar so you and your child are both aware of testing dates.
- Make sure that your child gets enough sleep on the night before the test.
- Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- Make sure that your child gets up early enough so that he/she will be on time to school.
- Talking about the test with your child can relieve stress about test taking.
- If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- Praise/reward your child when they do well on a test or for their hard work preparing for a test.
