Dear Parents,

Welcome Back Students and Parents! We are so excited to be able to bring our 21stCCLC program back to our community. We will start off the Theme "Its About Time". Students will play games like Greek Hoop Bowling and Red-Letter Relay. We will make a Weaving Kent Cloth, a paper plate crown with leaves, and learn about the Tlingit Whale.

Then we will get to learn about each other with Mindset Matters, Finding Common Interests, Facts and Assumptions, and Conflict Scenarios.

Parent Workshops will be online this year and the first one will be from 10-16 – 10/25/20. There will be more information on this in the coming weeks.

We look forward to seeing you all and please remember to pick up your child no earlier than 5:47 PM.

How to Balance Family Needs

Contribution and connection are the keys to balancing your family's needs. As a parent, there are days when it seems easier to do everything yourself, but responsibilities stack up and you may feel stress and resentment. Doing it all yourself also robs children of the value of contributing to the family. Assign children jobs or chores based on their developmental level. Contribution to the family by performing a job eases some of your responsibilities, increases children's senses of well-being, and fosters cooperation. Create time for your family to connect. Five minutes of play a day will reduce power struggles with children by 50%. Setting aside time for connection with your child pays significant dividends in cooperation and contentment.
